Overseas patients

2052. SHRIMATI SYEDA ANWARA TAIMUR: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that the number of overseas patients are increasing for medical treatment in the country;

(b) if so, whether Government have taken steps to keep close watch about the inflow of medical tourists into India to get treatment from various hospitals across the country;

(c) whether Government are getting any monetary benefit from the medical tourism; and

(d) if so, the details thereof?

THE MINISTER OF HEALTH AND FAMILY WELFARE (DR. ANBUMANI RAMDOSS): (a) and (b) Although no official data is collated for foreign patients in India, however, India is emerging as one of the preferred destinations for medical tourists in Asia. It is estimated that around 150,000 foreign patients visited India during 2003-04.

(c) and (d) The influx of foreign tourists to some States generates increased demands for healthcare services resulting in creation of additional

infrastructure, employment generation, development of manpower and building up of foreign exchange reserves.
